## Business Buzz

An activity of "Our Singapore: Carpet Shop"

### INTRODUCTION

In "Our Singapore: Carpet Shop", we learn about how some immigrants have made Singapore their home and set up businesses here to make a living. The Iranian and Afghan carpet shop owners are examples of such immigrants. If you had to run a business here, what kind of business would it be?

### INSTRUCTIONS

1. **THINK** about one type of business that you would like to set up in Singapore. What product would you sell? Using the table below, flesh out the details of your idea.
2. **DRAW** a picture of what your store and product would look like.
3. **SHARE** your idea and drawing with a classmate.
