## Mapping: Portuguese Speakers

An activity of "Our Singapore: Kristang dance"

The Kristang community has retained many aspects of Portuguese culture, an important one being their language. Because the early Portuguese adventurers travelled far and wide, their language is spoken in many parts of the world today. Let's locate places outside Portugal where Portuguese is spoken.

### INSTRUCTIONS

1. BROWSE through "Kristang dance" (<http://www.whatsup.sg/oursingapore/Kristangdance.htm>). Use this article and also refer to an atlas to complete this exercise.
2. LABEL the following continents in the map: Asia, Europe, Africa, North America, South America, Australia.
3. PLOT and LABEL the following places where Portuguese is spoken by a large number of people today:
  - a) Andorra
  - b) Angola
  - c) Brazil
  - d) Daman (India)
  - e) East Timor
  - f) Goa (India)
  - g) Luxemburg
  - h) Macau
  - i) Mozambique
  - j) Paraguay
  - k) Portugal
  - l) São Tomé & Príncipe
4. From the list above, SHADE the areas as follows:
  - a) European locations in blue
  - b) African locations in orange
  - c) Asian locations in green
  - d) South American locations in red
