An activity of "Our Singapore: Kristang Dance"

INTRODUCTION

In "Our Singapore: Kristang Dance", the Kristangs are dressed in colourful outfits while dancing the Branyo. Here's your chance to create your very own Kristang outfit and have a fashion contest with your classmates!

INSTRUCTIONS

1. **FORM** groups of four to five members for this fashion challenge. Your task is to create a Kristang outfit together with your team.
2. **CHOOSE** to make either the male or female outfit, and pick at least two elements of the outfit to make. For example, the female dress comprises the head scarf, skirt and vest – you may choose any two of these items to make. The male outfit comprises the hat, scarf, vest and pants – again, you may choose to make any two of these items. You can use recycled materials like cardboard and newspapers as part of your outfits. Be creative and think about how to make them look as realistic as possible!
3. **PICK** a model from your group to wear the outfit you have made. The model will represent your group to show off your work to the rest of the class. Your model could even perform a few moves from the Branyo to impress the other teams. Examples of dance moves can be found in these videos:
 - A. <http://www.youtube.com/watch?v=nKSBRw-6YWw>
 - B. http://www.youtube.com/watch?v=NBIfDzS_X08&feature=related
4. **VOTE** for your favourite outfit. You may only vote for another team, and not your own.
5. **TALLY** the votes and crown the winning team's model as the new Mr/Miss Kristang.
6. **EXHIBIT** your outfit in class or in a common area in school so that other students can enjoy your work.
