

Trust building is a half-day course that aims to discuss and share key principles in the planning, building and improving of TRUST within and among faith and ethnic communities in the aftermath of a crisis. This scenario-based workshop will allow the IRCC members to obtain an appreciation of present strengths and address the gaps in the area of trust building. Participants will learn how they can play a part to promote social cohesion.

TRUST BUILDING WORKSHOP (FOR LEADERS)

Programme Outline

- Personal goal settings
- Sharing of Morale-o-graph
 - IRCC Members are invited to share their 'highs & lows' (serving as member of IRCC) with the group.
- Where do we go from here?
 - Members are invited to share what was done well in their IRCC and what could be done better.
- "Face to Face"
 - Powerful bonding activity.

Workshop Objectives

- To build deeper bonds and trust between members of the IRCC
- To reflect upon & build values, attitudes and behavioural norms that members would like to nurture for the group
- To reflect upon and build the opportunities and challenges facing the group that how they would like to address them
